78948: 01

*DSHS issues reports to counties that identify COVID-19 infected individuals as "expired" or "recovered". The "expired" classification includes individuals who tested positive for COVID-19 and subsequently died. DSHS makes **no** determination that COVID-19 caused or did not cause the death.

*DSHS report- LTF = Lost to Follow-up

DSHS has informed us that due to the high demand in testing they are back logged in reporting cases. We estimate approximately 100+ total cases and 7 deaths for Lee County.

COVID-19 continues to be a real threat and affects individuals of all ages.

WE STRONGLY RECOMMEND, THAT WHEN LEAVING THE HOME, WEAR A FACE COVERING, MAINTAIN SOCIAL DISTANCING AND PRACTICE GOOD HYGIENE, ENVIRONMENTAL CLEANLINESS, AND SANITATION. NOW IS NOT THE TIME TO LET YOUR GUARD DOWN. THINK SMART. BE SAFE.
