Signed up yet for the Regional Notification System serving Lee County?

Register with the Capital Area Council of Governments' newly updated RNS at <http://wireless.capcog.org>. The free service can alert participants if a large emergency or major incident were happening in their area or a loved one's area across Bastrop, Blanco, Burnet, Caldwell, Fayette, Hays, Lee, Llano, Travis and Williamson counties. It has been used to warn people during flood events, to instruct residents during ongoing law enforcement operations, and in wildfire outbreaks.

Register your cellphone, landline, or email address to receive alerts by voice call, email or text. If for some reason you are unable to register online, you can call (866) 484-3264 and you will be prompted for your contact information.

Don't delay – it takes just 15 minutes to sign up today!
