Ref: **Closure of all non-essential County Offices on Monday January 26, 2026 due to Inclement Weather**

Due to inclement weather and the decision by school districts to close tomorrow, in consultation Commissioner Alan Turner, County Attorney Martin Placke and Treasurer Lyndy Krause, I have decided to close all non-essential County Offices on Monday, January 26, 2026.

However, the regularly scheduled Commissioners' Court will NOT be cancelled. Court will commence at 10:00 AM to handle essential County business.

I request that all county officials make their employees aware of this closure. This notice will be posted on the County website.
