Certificate of Interested Parties - Form 1295

Section 2252.908 was added to the Government Code by the 84th Texas Legislature through adoption of House Bill 1295.

Senate Bill 255 adopted by the 85th Legislature Regular Session amended the law effective for contracts entered into or amended on or after January 1, 2018. Additional exemptions from Form 1295 requirement were added for 1) a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity, 2) a contract with an electric utility as defined by Section 31.002 of the Utilities Code, or 3) a contract with a gas utility as defined by Section 121.001 of the Utilities Code. Notarization of Form 1295 has been replaced by an unsworn statement under penalty of perjury by an authorized representative of the business entity.

The Texas Ethics Commission promulgated rules to implement the law and established an online portal: [Form 1295 https://www.ethics.state.tx.us/filinginfo/QuickFileAReport.php](https://www.ethics.state.tx.us/filinginfo/QuickFileAReport.php)

The law states that a County may not enter into a contract with a business entity unless a Certificate of Interested Parties (Form 1295) has been completed and provided to the County at the time the contract is considered for action by Commissioners' Court.

Lee County Commissioners' Court will not consider for action any bid, proposal and/or contract with a business entity unless it is accompanied by a completed, signed Form 1295 a certificate

number assigned from the Texas Ethics Commission or a signed statement declaring the provision of the law under which the business entity is exempt.

Invoices and Payments:

All invoices are subject to approval by the County Auditor's Office. Invoices shall be itemized and free of federal excise taxes and sales tax (state, city and county sales tax). Lee County's obligation is payable only and solely from funds available for the purpose of this purchase. Lack of funds shall render the order null and void to the extent funds are not available and any delivered but unpaid goods will be returned to the seller by the county.

Warranty Product:

Vendor shall not limit or exclude any implied warranties and any attempt to do so shall render an order voidable at the option of the County. Vendor warrants that the goods and/or services furnished will conform to the specifications, drawings, and description listed in the bid invitation, proposal and/or contract and to the sample(s) furnished by vendor if any. In the event of a conflict between the specifications, drawings, and descriptions, the specifications shall govern.

Cancellation:

Lee County shall have the right to cancel for default all or any part of the undelivered portion of an order and/or services if vendor breaches any of the terms hereof including warranties of vendor, or if the vendor becomes insolvent or files for protection under the bankruptcy laws. Such rights of cancellation are in addition to and not in lieu of any other remedies, which Lee County may have in law or equity.

Waiver:

No claim or right arising out of a breach of any bid, proposal and/or contract can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party.
